Getting started

About Facebook for BlackBerry smartphones

You can use Facebook for BlackBerry smartphones to stay connected with your friends. You can send messages, chat, invite new friends, view notifications, upload pictures to your Facebook account, and more. You can upload pictures from the media application or picture attachments.

If you already have a Facebook account, you can use your existing login information to log in to Facebook for BlackBerry smartphones. To get a Facebook account, visit www.facebook.com.

New in this release

The new features and enhancements for Facebook for BlackBerry smartphones version 4.3 include the following items:

Added sticker support	You can receive stickers in messages and chats.
Enhanced tagging feature	You can tag friends in your comments and status by typing a name or by typing the at sign (@) and selecting a name from the list.
Updated Remove feature	You can delete your items from your timeline using the Plus icon.

Log in to or log out of Facebook for BlackBerry smartphones

1. On the home screen, click the **Facebook** icon.
2. Type your login information.
3. Click **Login**.

To log out, click the **Navigation** icon. Click **Options > Log out**.

Connect Facebook with BBM

When you connect your Facebook for BlackBerry smartphones app with BlackBerry Messenger, you can post your Facebook status as your BBM personal message, display your BlackBerry PIN on your Facebook profile, and begin BBM chats from within the Facebook app.

1. On the navigation bar at the top of the screen, click the **Navigation** icon > **Options**.
2. In **BBM Settings**, select the **Share my BlackBerry PIN with Facebook Profile** check box.

1. Press the **Menu** key.
2. Click **Go to Mobile Site**.

To return to Facebook for BlackBerry smartphones, press the **Escape** key.

Refresh a page

On touchscreen devices, you can refresh a Facebook page with a touch and slide motion.

Touch the top of the page, slide your finger down the display, and then release your finger to refresh all content on a page.

Profile, News Feed, and status

View a profile

On a user's profile page, you can view their profile picture and cover photo. There are tabs to access the Wall, Info, and Photo tabs.

1. On the navigation bar at the top of the screen, click the **Navigation** icon.
2. Click **Profile**.
3. Click **More** and do any of the following:
 - To invite a friend to join a BBM conversation, click **Invite <friend> to BBM**.
 - To send a text message to a friend, click **Send <friend> a Message**.
 - To poke a friend, click **Poke <friend>**.
 - To email a friend, click **Email <friend>**.
 - To unfriend a friend, click **Unfriend <friend>**.
 - To see the cover photo, click **View cover photo**.

Change your profile photo or your cover photo

You can either take a photo or use a photo stored on your smartphone for your profile or cover photo.

When viewing your profile, click the **More** icon and do any of the following:

- To change the cover photo that appears as the background for your profile picture, click **Change Cover Photo**.
- To change your profile photo, click **Change Profile Photo**.

Change your status in the News Feed

1. When viewing your News Feed, click **Status**.
2. Type your status and do any of the following:
 - To change who can see your status, click the **Privacy Settings** icon.
 - To tag a friend in your comments and status, either type your friend's name or type the at sign (@). Click a name in the drop-down list.

- To add your location to your status, click the **Where are you?** icon.
